

We would like to thank the United States Government for its generous financial support for the revision process.

The Gender-Based Violence Area of Responsibility (GBV AoR) is a global-level forum for coordination on GBV in humanitarian settings. The group brings together NGOs, United Nations agencies, academics and others under the shared objective of ensuring more predictable, accountable and effective prevention of and response to GBV in settings affected by emergencies. In the humanitarian system, the GBV AoR constitutes an 'area of responsibility' within the Global Protection Cluster.
