WASH & Dignity Kit – First Response

The new WASH & Dignity Kit – First Response (S9901153) will be available on the Emergency Supply List (ESL) starting October 2018. The kits are packaged to meet the needs of 5 families. The kits include the items shown below as well as a leaflet describing the contents, however it is critical to explain how to use each item to the beneficiaries at distribution time.

Please visit the global WASH library on the SharePoint site for information on UNICEF Guidance.
